

It seems ironic that after invading Iraq for lack of liberty we are now subjected to the propaganda here of media monopolies.

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. HE should provide balanced coverage and not try to influence a national election with my tax dollars! Stop the anti-Kerry documentary and fine Sinclair broadcasting. Thank you.
